

Vaccination Form (BACK)

Data Collected By:- _____

Patient Consent

I hereby give my consent to the health care provider of IRCS, to administer the vaccine(s) I have requested above. I have been explained all the information about the vaccine in my language. I have also been given the opportunity to ask questions about the vaccine I will be given. And they also gave me a guide leaflet for more information about vaccines. I understand the risks and benefits associated with the vaccine(s) being administered and had explained Vaccine Information by IRCS Doctor. I have had the opportunity to ask questions that were answered to my satisfaction and understood the protection this vaccination offers, the potential side effects and/or risks involved, and have had the opportunity to ask any questions I may have had; I have no further questions and I (or my legal guardian, if a child below 18 years) consent to the vaccination. I have discussed the merits/demerits of being administered the vaccine with IRCS Doctor. As with all medical treatment, there is no guarantee that I will not experience an adverse reaction from the vaccine. I understand that the information contained on this form may be shared with the Stated Health Division (SHD) and/or state immunization registries, and will remain confidential and will not be released except as permitted or required by law. Furthermore, I agree to remain near the vaccination location for approximately 15-20 minutes after administration for observation by the administering Healthcare Provider.
